

Consignments Wanted for Upcoming Fall 2009 Auction

Our Oct. Sale Will Feature Sess. 2 of The World Renowned Dr. J. A. Murphy Collection of Historic Colts.

Murphy's Collection of Colt firearms is unquestionably the finest of its type to have ever come to auction. In view of our current economy, Sess. 1 of his coll. was highly anticipated with much presale discussion. Will superb quality Colts withstand the test of the current economic downturn? The results were exhilarating. The low est. of all Murphy items sold was \$3,560,600; they realized \$5,236,531 or 47% over low estimate!!! Below is a sampling of the success from some of the fine non-Murphy items sold. Our fall auction will incl. Sess. 2 of the Murphy Coll., also imp. Winchesters, Civil War memorabilia, rare early weapons, 20th Cent. military, Class III, historical items and more. This will be another spectacular auction.
