Here is a listing of some of our highlights for our Auction of authentic Vintage Mid Century Danish Modern Furniture. Almost 90 percent comes directly from estates in Denmark and Sweden. We have our own warehouse and pickers. All items fresh to the market. One Estate in Denmark was an entire house of Johannes Andersen designed Furniture. The owner was the original purchaser and was personal friends with Johannes Andersen. Besides Danish there are many pieces from designers from the US, Brazil, Sweden, Germany, Italy, etc..... Although retail buyers are allowed to attend we are primarily a Wholesale Auction Gallery located in a warehouse for dealers. **WE DO NO ONLINE BIDDING AND DON'T POST OR RELEASE RESULTS** (We do take absentee and phone bids). It is worth the trip from anywhere in the US or Canada. a year of going to local auctions or estates will never come close to the volume or quality we sell in one day! Buy 1 piece or a tractor trailer load. Not one piece of this is left over dealer stock. A true Wholesale Dealers Auction. We can also help with warehousing, packing and shipping.

IF IT WAS FURNITURE AND MADE IN DENMARK, THERE IS A GOOD CHANCE IT IS HERE !!
THIS IS BUT A VERY SMALL SAMPLING. MANY SIGNED PCS. This is only a partial listing. TOO MUCH TO LIST.
