Limited Preview on day of auction, 9am to 10:30am

JUST ARRIVED Large important 19th C. Emerald Green Jadeite Censer

Fine and important antique Asian sculpture, paintings, ceramics and more. Items include an important Yung Lo period figural gilt bronze, a pair of Zitan chairs from an important collection established in the early 20th century, a large collection of early Naiji period Chinese mixed-metal bronzes, early carved jade — including a "Spring and Autumn" plaque from a prominent collection, as well as a variety of important ceramics.

Online catalog available approximately two weeks before auction.
