### Crystal, Costume Jewelry & Ornaments

There's Waterford crystal--large bowls and vases to Christmas ornaments and music boxes to photo frames. If you prefer, go for the sterling silver flatware and collectible ornaments from Reed & Barton, Lunt, and Gorham or vintage Christmas ornaments from various makers. For personal bling, we've got a nice selection of costume jewelry.

### Musical Instruments

If you'd rather blow your own horn, we'll have a nice selection to choose from (as well as clarinets, drums, saxophones, a large collection of fifes, a xylophone, accordion, concertina, oboe, and a glockenspiel). We have guitars including a chocolate-brown Guild D25 and an Epiphone double cutaway sunburst electric.

### Furniture, Appliances, Housewares, Collectibles & Antiques

There will also be furniture including a postmaster's desk, tables, couches and chairs, as well as an Electrolux washer and dryer (like new), housewares, antiques and other collectibles. We've got new old

stock fountain pens, assayer's scales, wooden advertising boxes, other advertising pieces, metal lawn chairs, chrome and Formica table with chrome leg chairs, Pyrex bowls, military and transistor radios, much more...

### Ephemera

We have local newspapers chronicling major events, Sunday Boston Globe insert prints from the turn of the century, some on linen, early photo albums, WWII sketches and photographs, research photos and drawings of trains, armored vehicles, warplanes, helicopters and officers from the library of military and technical illustrator/artist James Berge, 1980 Moscow Olympics poster in Cyrillic print, and early local postcards.
