Child's Trapper's Basket, Lighting, Mid-Century (Russell Woodard Slate Top Patio Set, Lighting), WMF Art Nouveau Metal Work and Much More (See Auctionzip Website Above!). This collection was assembled over the last 50

years, by "a confused old man who did not know what he was doing". Those were his words and not mine. Trust me, he did know what he was doing. This is a beautiful collection of collections, selected by a very keen eye. This is a collection at auction that you the collector or dealer, will not want to miss! This is one of the Finest "Fine Art" Sales we have done in the last 40 years of being in the Auction World. Please see our posting on Auctionzip.com for a Complete Listing and many Great Photos of these outstanding items. Also please note there have been selected additions to this auction from other excellent estates.
