A note to our buyers:

I believe this will be the best unreserved onsite estate 1 owner auction within 150 miles, not to be missed. Alan was an advanced intense collector, keeping only the best of the best for himself. He was an attorney for the Town of Mexico, NY for 10 years and a law clerk attorney to 4 supreme court judges (Donovan, Hurlbut, Nicholson + Seiter. He graduated from Syracuse University with his law degree. He was a kind, compassionate, giving person, who will be missed greatly. I have known him for over 15 years and never saw the museum of antiques he collected. It has taken my team over 5 months of inventorying to date. We still have another 30+ days of inv. to go. Please look at our site as more items will be added daily. A lot of Alan's items have descended from his family for over 100 years, not seen until now.
