

An oil painting by Childe Hassam titled 'Mrs. Hassam in the Garden'. The scene is set in a lush garden with a woman in a light blue dress standing on a path, looking towards a large bush of red roses. To the left, there is a wooden bench with a pink object on it. The background is filled with dense green foliage and trees. The painting style is characteristic of the Impressionist movement, with visible brushstrokes and a focus on light and color.
