EXPLORE THE LIFETIME COLLECTION OF LARRY AND JEAN DUBORD!

350+ lots of charming Folk Art, Country Furnishings, and Decor. The Dubords had a keen business sense and incredible eye for beautiful things—but most importantly, they appreciated the value of a good story. Objects we use, trade, and pass down through generations, embody the stories that make us human. If you were lucky when you stopped by, you wouldn't just get to see a nice Mallard or Canada Goose; you would get to hear about Larry's last trip up into Canada to see his friends who carved the decoys.
