

FRESH TO THE MARKET LIFETIME COLLECTION

JUDIE ZIEGLER was a lover of history. She enjoyed doing family genealogy and researching the history of local towns. Judie's love of history extended to antiques as well. She attended many estate sales, enjoying the thrill of the hunt. Judie collected an outstanding variety of antiques from all categories of collecting and had an eye for rarity and quality! In the past, Judie was an active member of the Rock and Mineral Club of Reading, PA. She also scoured local fields for arrowheads and other Native American artifacts. We are pleased to offer one of many of Judie Ziegler's lifetime collection auctions!
